The Stargate and the Power of Four

by [MiaQc](#)

Summary

The sequel to [Mya's Quest](#)!

After taking the Stargate, Isaac, Mya and company find themselves in another world. Then, after Verac, an evil sorcerer, kidnaps Jenna, Sheba and Mia, Mya must save them by splitting herself into four and doing elemental temples. She also reunites with old female friends. Isaac, Garet, Ivan, Felix and Piers can't help her because Verac has blocked their Psynergies. Girl Power, once again!

The rape warning is there because it's mentioned in the story but there's no sexual scene.

- A translation of [La Porte des Étoiles et le Pouvoir des Quatre](#) by [MiaQc](#)

Prologue.

Sheba descends a steep mountain. "I have a feeling there's something out here," she said to herself, "and I'm going to find out." She arrives at the bottom and finds a strange installation. "It looks like... a big metal circle with symbols." She gets closer and discovers some kind of panel with symbols and a red button. "The symbols on the panel are the same as those on the circle! It must be a Gate! But how does it work? Maybe if I press a symbol..." Sheba presses a symbol and it lights up. "AH! I...will press another symbol!" She presses another symbol, then another, then another... until she has seven symbols. On the seventh, she presses the red button and a blue liquid appears inside the circle. "The Gate has opened! Should I... go in? Yes!" She passes through the liquid and at the same time Felix and Piers, who had been following her on the sly, arrive. "Oh no, we have to follow her!" They go into the liquid and the Gate closes. Jenna arrives next. "Where did they go? They wouldn't be... oh no! I must look for the others in Kalay!"

Chapter 1: The Seventh Symbol.

Jenna enters the throne room of Hammet's Palace.

Jenna: ISAAC! GARET! IVAN! MIA! MYA!

Everyone (except Jenna of course!): JENNA!!!

Mya: What's going on?

Jenna: It's Sheba and the others! They're gone!

Isaac: Gone!!! How?

Mya: Wait... did they take the Stargate?

Ivan: The Stargate?

Hammet : Could this be the legend you told me about? The one about a Gate that leads to tons of planets?

Layana: Is that it, Adimya?

Mya: Yes, that's it. Please, Mother, just call me Mya.

Layana: Okay, Mya.

Jenna: Yes. I'm sure that's what they took.

Mia: In that case, take us there!

They're moving away...

Hammet: Be careful, Mya. Don't forget you're our only heir.

Mya: I know.

They go to the Stargate.

Mya: According to legend, to make it work, you have to enter the Seven Symbols.

Garet: The Seven Symbols? But there are more than twenty!

Mya: You have to enter the right symbols.

Ivan: But since there are several planets, there must be several combinations of Seven Symbols.

Mia: Yes, no doubt.

Isaac: How are we going to find the right combination?

Jenna: Didn't it say that in the legend?

Mya: I remember!

She presses six Symbols.

Garet: Why don't you press the Seventh?

Mya: It didn't say what the Seventh was.

Mia: We have to find out!

Alex appeared.

Alex: Are you looking for something?

Mia: Yes. The Seventh Symbol that activates this Gate.

Alex: I see... if I were you I'd explore each of the Lighthouses again.

Jenna: You mean it's in one of the lighthouses?

Alex disappears.

Jenna: I hate it when he does that!

Isaac: We've got to get to the lighthouses!

Mya: I know what we'll do. Ivan, you'll go to the Jupiter Lighthouse, Jenna to the Mars Lighthouse, Isaac to the Venus Lighthouse and Mia to the Mercury Lighthouse.

Jenna: What about you and Garet?

Mya: Well, we'll be waiting for you.

Jenna: Oh, I get it! You want to be alone to make lov...!

Mia (walking away): Come on Jenna let's go!!!

Jenna: Coming!

She joins the others.

Garet: I hope that's not why you wanted us to...!

Mya: No, Garet, no! It's just to be alone!

Garet: I believe you.

The group had split up and Isaac was now in the Venus Lighthouse. "I must find the Symbol!" Two Nightmares appeared! "Ah, those!"

Isaac: QUAKE SPHERE!

The two Nightmares attack! "They don't believe they can...!"

Isaac: STONE SPIRE!

A Nightmare dies. "I find it too easy..."

Isaac: FLINT!

The other Nightmare dies and Alex appears.

Isaac: Alex! Can you explain to me why the Nightmares I faced didn't seem as... powerful and resistant as usual?

Alex: It's simple. I gave you what we call a "helping hand".

Isaac: You weren't even there when...! But... yes! You weakened them!

Alex: Correct.

Isaac: If you were here before me, you must have found the Seventh Symbol. No?

Alex: I couldn't find it. I looked everywhere except... up. All the way up.

Isaac: Yes, at the top!

Isaac rushes to the top, Alex disappears in the meantime, and he finds... part of the Symbol! "The others must be... in the other Lighthouses!" He leaves the Venus Lighthouse and heads for the Stargate.

Mia is currently in the Mercury Lighthouse, having just eliminated a Lizard Man with Serac. "That was super easy!" She began looking for the Symbol when she saw a symbol on the wall. "That's it! ...No, it's just a fragment! But this may be the fragment of the Seventh Symbol! I've got to memorize it..." She looked at it for a few minutes, then left the Lighthouse.

Ivan has just fled from a monster. "It almost got me!!! And... I feel... weak..." He falls unconscious. Alex appeared.

Alex: I see... Normally I wouldn't help you. But to please Mya... PURE
PLY!

Ivan wakes up.

Ivan: ? Alex! You... gave me back my HP? Why!

Alex: I had certain reasons.

Ivan: Tell me!

Alex: None of your business!

Ivan: Don't make me use Mind Read!

Alex: Mind Read doesn't do anything on me!

Ivan: MIND READ!!!

Ivan began to sweat.

Alex: No matter how hard you try, you can't probe my mind.

Ivan: Yes... I... will!

Ivan began to sweat even more.

Alex: Please stop.

Ivan: And... why?

Alex: I don't want you to die.

Ivan: For... who?

Alex: All right, I'll tell you everything! Just stop!

Ivan stops.

Alex: I'm doing this for Mya.

Ivan: Mia?

Alex: No, the All Adept. It's because... I love her!

Ivan: You love her!?!

Alex: Yes.

Ivan (in a pitiful tone): Simply because she has the Alchemy you've always wanted.

Alex: ...Well yes, but I... really like her too. She's perfect.

Ivan: That explains it... do you know where the Seventh Symbol is?

Alex: Go to the top.

Ivan goes to the top and finds a fragment of the Symbol. He takes it with him as he leaves the lighthouse.

Jenna eliminates a fire monster with Char. "That was an easy one! Now I've got to find that Symbol." She walked for a few moments before another monster appeared. "They're always there! It's annoying!"

Jenna: REFLUX!

Jenna is ready to counterattack! The monster attacks... and Jenna strikes back!

Jenna: CANON!

The monster attacks again.

Jenna: NOW TRIAMAT!

The monster attacks again and...

???: GLACIER!

The monster dies!

Jenna: Who did this!?

???: It was me.

Jenna (turning around): Alex! Why did you do it?

Alex: It doesn't matter. What matters is that you find the Symbol.

Jenna: I still want to know!

Alex: The reason I'm protecting you, like I protected Isaac and Ivan, is to please Mya. I know she's always wanted to protect you... and it's because I love her!

Jenna: You can't be serious!

Alex: Yes, I am. Here's the Symbol behind you.

Jenna turns, Alex disappears, and she sees the last fragment of the Symbol. She memorizes it and returns to the Gate.

Isaac: We're glad you arrived. The fragment?

Jenna: I remember it.

Mya: Well, if we put the fragments together... it's that Symbol!

Mya presses it and then presses the red button. The Stargate opens.

Mia: Let's find Sheba and the others!

They go into the Gate. Alex arrives and goes in just after them. The Gate closes.

Chapter 2: Verac's return and the kidnapping.

They found themselves on a plain. They see Sheba, Felix and Piers in the distance, in front of a sword, with another young girl. They go to join them.

Felix: I'm glad you're here. This is Princess Liera.

Ivan: Pleased to meet you, Princess. My name is Ivan. I come from Contigo.

Isaac: My name is Isaac and I'm from Vale.

Jenna: I'm Jenna, Felix's little sister, and I'm also from Vale.

Mia: My name is Mia and I'm from Imil.

Garet: ...

Mya: It's Garet and I'm Mya.

Liera (looking at Mya): Aren't you... the Chosen One?

Mya: The Chosen One of what?

Liera: Well... The Chosen One of the Legend of the Four. Legend has it that a long, long time ago, Verac, an evil sorcerer with mystical powers, came to this world. He destroyed villages and kingdoms and abducted all the young girls he found pretty. One day, a mysterious young girl arrived. All she said was: "I will defeat this sorcerer with my power!" and she saved the young girls. Then she disappeared. So everyone asked the girls, "How did the young girl save you?" They replied, "Do you remember what she told you? I'll beat that sorcerer with my power! Well, she took the Sword and split herself into four. That was her power! It was these four young girls who saved us and sealed the sorcerer in the Sword!" People didn't believe them, and it became a legend... The Sword is the one in front of you.

The Sword began to hook...

Liera: No!!!

...and a shadow with one eye and four arms appeared! The shadow grabs Liera!

Shadow: At last I'm free! And I've got a pretty young girl!

Liera (struggling): Let go of me, Velac!

Jenna: It's Velac!!!

Sheba: You'll let her go, yes! TEMPEST!

Verac: Ho-Ho!

He catches Sheba!

Jenna: Sheba!!! FLARE WA...!

She didn't have time to use her Psynergy before Verac caught her too!

Jenna (also struggling): Will you let go of me!!! Mia, help me!

Mia: ICE MISSILE!

Verac: It's really a stroke of luck! Four beautiful girls at the time of my escape. I couldn't have dreamed of anything better!

Ivan: Watch out, Mia!

Mia tries to dodge, but Verac catches her.

Piers: Let them go now!

Felix: Or you'll taste our power!

Verac: Really?

Felix and Isaac: GRAND GAIA!

Piers: MEGACOOOL!

Ivan: SPARK PLASMA!

Garet and Mya: INFERNO!

Verac: PSYNERGY BLOQUED!

Mya throws herself further away and...

Felix: Our powers...

Ivan: ...are blocked!

Verac: HA HA HA HA HA HA HA HA HA HA HA!

Verac runs away.

Girls (except Mya): HELP US!!!

Isaac: Oh no... There's nothing we can do!

Felix: He's right. Without our Psynergy we don't stand a chance!

Garet: Girls... NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!

Alex (who had stayed back): Don't get depressed!

The guys and Mya (who had moved closer) : Alex!!!

Alex: Mya, the spell spared you, so you're the Chosen One of the legend. You must fight Verac and save the girls!

Mya: No, I just threw myself away! It was a fluke!

Alex: Don't be so modest, you're the Chosen One.

Garet: Then we're counting on you! Be careful.

Mya: Uh... I...

Garet: I wouldn't want anything to happen to you...

Mya: Don't worry.

Isaac: Go and lift the Sword.

Alex disappears and Mya lifts the Sword.

Chapter 3: The four Mya.

Mya finds herself with three doubles of herself! One wears a red tunic, (Mya's is green), the other wears a blue one and the third wears a purple one.

Mya (the one in the purple tunic): Hey, but you're me!!!

Mya (the one in the red tunic): And you're me, too! What's going on?

Mya (the real one): I'll try to explain. You were created to help me save four beautiful girls who are my friends.

Mya (the one in the blue tunic): Can't these guys hel...?

Mya (the real one): They can't. Their Pysnergies are blocked. We have to do it.

Mya (the one in the purple tunic): I see... but how are we going to recognize each other?

Mya (the real one): Easy. You, the one in red, will be Mya 2. You, the one in blue, will be Mya 3 and you, the one in purple, will be Mya 4.

Mya 3: Why shouldn't I be Mya 2?

Mya (which has to be the real one, since there's no number after her name): Let's leave it at that, shall we? It's pretty hard to recognize you all...

Mya 4: Okay. But what should we do?

A green fairy appeared.

The fairy: You must complete the four Temples. Earth, Fire, Water and Wind. They will give you the keys to the Verac's Palace.

Mya: Let's go then! But... I have a strange feeling. It's like I can only control the earth.

The fairy: That's what happens when you divide yourself, the power splits too.

Mya 2: I control Fire.

Mya 3: I control Water.

Mya 4: And I control Wind.

Mya: That confirms it. I can only control the earth.

Mya 3: So you're our leader! What do we have to do?

Mya: We split up and do a Temple each.

The fairy: That's not a very good idea. The key to success is teamwork.

Mya: In that case, let's go to the Earth Temple!

The guys and the fairy: GOOD LUCK!!!

Chapter 4: Helene's return and the Earth Temple.

The four Mya head for the Earth Temple. On their way...

A merchant: Psst!

Mya 2: Yes?

The merchant: You're going to the Earth Temple, aren't you? I've got something that might interest you... This emerald enhances earth-level powers and is also used for protection.

Mya 3: Is this true, Mya?

Mya: Yes, emeralds have this power.

The merchant: So you'll buy it from me? 5,000,000 Coins.

Mya 4: That's too high!

The merchant: Then you won't get it! ...Uh ...what!!!

A shadow had sprung from nowhere and stolen the emerald! "There's only one person I know who can do that," thought Mya.

Mya: Helene!

Helene: "See you in front of the Temple!"

Mya 4 (who had picked up her telepathic calling): She's at the Temple.

The merchant: Who's Helene?

Mya: Nobody, let's go!

Mya leaves the merchant in a hurry, her double on her heels.

Mya 3: Why did you do that?

Mya 4: I know why.

Helene (showing herself): She did it for me. My name is Helene and I was a thief.

Mya 2: Was? I don't believe it!

Helene: Yes, here you go, Mya. The Emerald.

Mya: Thank you. Aren't you surprised to see three clones of me?

Helene: No, because I saw what had happened. While I was looking for Lily and Oceane...

Mya: How did you...? Did you all find a Stargate?

Helene: Yes. So that's what it was called...

Mya 2: We need to get inside the Temple. Are you coming with us?

Helene: I don't know... No, I'd rather wait for you here. Just in case.

Mya 3: We'll call you if we have any problems.

The four Mya enters the Earth Temple. Inside, they find themselves before a pool of sand.

Mya 4: How are we going to get across?

Mya: I think I know. Summon Jupiter and ask him to remove the pond.

Mya 4: I'll try. Jupiter, Spirit of the Wind comes to my aid! (A wind began to blow.) Remove this pond NOW!

The wind becomes stronger and more violent. A real cyclone! The pond disappears in ten minutes!

Mya 3: Amazing!

They saw a staircase. They take it and find themselves in front of three doors. The handle on the first door is in bronze, the second in brass and the third in crystal.

Mya 2: One of them is designed to make us progress. The others must conceal traps.

Mya 3: How do we know which one is the real one?

Mya 4: I know! REVEAL! It's the one with the crystal handle.

Mya opens it and...

Mya: AHH!

???: I am the Earth Demon. If you want to go on, you'll have to finish me off.

Mya 4 (who had done Mind Read on him): He has 10,000 HP.

Mya: Only 10,000! That's nothing! I have 5,000!

Mya 3: You're forgetting one thing. If your powers were divided into four when we were created, your HP and PP were also divided into four!

Mya: True, but my PP are unlimited! ...But my HP... (Do the math! 5,000 divided by 4 gives...) We have 1,250!

Earth Demon: 1,250 HP... each... it's going to be a piece of cake!

Mya 2: Don't get too excited! Mya, the emerald!

Mya: I was forgetting it!

She took out the emerald and concentrated. The emerald began to glow and... Mya's power increased by 10! By 100! By 1,000!

Earth Demon: NO!

Helene (who had decided to enter the Temple) :
ATTAAAAAAAAAAAAAAAAACK!

Mya: STONE SPIRE!

Mya 2: INFERNO!

Mya 3: MEGACOOOL!

Mya 4: SPARK PLASMA!

Earth Demon: You can't possibly think you can beat me like that!

Mya: That's true, yes. But...

Ivan (telepathically): "You can use our Dijinnis!"

Mya 4: ...we still can! GUEST!

Mya 2: Then we can... FURY!

Mya 3: CHILL!

Helene: I want to know too.

Mya: Grrrr! Well, you know alchemy!

Helene: Alchemy... Alchemy... is it a forbidden power?

Mya: 1 point for Helene!

Mya explains what it is. She then tells them that Alex has always wanted it.

Mya: Since I'm the one who got it - or rather who had it because it split into four parts - he fell in love with me. But I already have a lover!

Helene: I see...

Mya: So I don't need you, Alex!

Alex: I only wanted to help you, but if that's what you want... use the emerald to protect yourself!

He disappears.

Demon: I'm going to kill you! SAND...

Mya: EMERALD, COME TO OUR AID!

Demon: ...ATTACK!!!

It did nothing to the girls!

Demon: How!!???!! Ah, that damned emerald!!!!

Mya 2: Let's make the most of it!

They use the boys' Djinnis and then...

Mya 3: BOREAS COMES TO MY AID!

Mya 4: THOR COMES TO MY AID!

Mya 2: METEOR COMES TO MY AID!

Mya: JUDGEMENT!

Demon: NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!!!

Mya: He's dead! We beat him!

Helene: Take the door! I'll wait for you outside.

Helene leaves and the four Mya open the door with the crystal handle. They see a labyrinth.

Mya 3: Something tells me the key is at the end.

Mya: Let's check it out.

They made their way through the labyrinth, fighting monsters, and found themselves in front of a fountain. A green woman with fairy wings appeared.

Woman: I am the Great Earth Fairy. You have achieved a great feat in defeating the Earth Demon. It must have been Lia who sent you...

Mya 4: Lia?

The Great Earth Fairy: A green fairy.

Mya: Yes, that's her. We must have the Key to Verac's Palace!

The Great Earth Fairy: I see... You are the Chosen One. Here it is.

A key appeared. Mya takes it and notices something...

Mya: It's a fake key!

The Great Earth Fairy (whose voice has changed): Yes, it's a fake key and you'll never get the real one! I'll kill you for Verac!!!

Mya 4: Oh no, she's possessed!

The Great Earth Fairy: TO BATTLE!!!

Mya: FLINT!

This did nothing to the Great Earth Fairy!

The Great Earth Fairy: Your powers do nothing on me! EARTH FAIRY ATTACK!

A giant green fairy appeared. She charged a huge laser beam from the earth!

Mya 2: We can't take this!

Alex's words come back to Mya! She pulled out the emerald and... The laser beam was fired. The giant fairy vanished.

The Great Earth Fairy: HA HA HA I HAVE HAD YOU! (She saw the four Mya surrounded by a green dome.) WHAT!?!

The dome gets greener and greener and the earth laser beam recharges. But this time it's aimed at the Great Fairy!

Mya: ATTACK!

The Great Fairy: NOOOOOOOOOOOOOOOOOOOOO!

She falls unconscious. When she wakes up...

The Great Fairy: Mmmmm... What happened...? Ah, yes, I've been possessed! Forgive me for the trouble I've caused you.

Mya 4: It's nothing... but we need the key.

The Great Earth Fairy: Here it is.

The real key that appeared.

Mya : Thank you. Goodbye!

They leave the Temple.

Helene: Where are we going now?

Mya 2: To the Fire Temple.

Chapter 5: Lily and the Fire Temple.

The four Mya and Helene head for the Fire Temple. On the way, they see a merchant frozen in time.

Helene: Only Lily can do that. ...Here's a message from her.

Mya: I read it: "Dear Helene (or Mya if you're there), I'm in the Fire Temple. I'll see you there. P.S.: the Ruby next to the message will come in handy. It increases courage and Fire Psynergy."

Mya 2: I'll leave you the Ruby. It'll be more useful to you.

Helene: Thank you. Let's go to the Temple.

They're going to the Temple. It's full of lava.

Lily (holding on to a rope to keep from falling into the lava): HELP ME!!!

All: LILY!

Lily: I'm... slipping!!!

Mya: I'm coming!

Mya goes to where the rope is and pulls Lily up. The others join her.

Lily: You saved my life... AAAAAAAHHHHHHH!

Helene: What?

Lily: H-Helene be-behind you!!!

Mya 2: We're not dangerous.

Mya 4: We were created to help Mya.

Mya: Yes. Princess Liera, Jenna, Sheba and Mia have been kidnapped.

Lily: In that case... I'll join you!

Lily joins Mya's Party.

Lily: There's a bridge over there. It leads to a door. But I don't know how we're going to get there.

Mya 3: Let me think...

Mya (taking out the emerald): I know!

Using the emerald's protection, they cross the lava and find themselves on the bridge. There...

???: I am the Fire Demon. If you want the next key, you'll have to beat me.

Lily: All right. RAY!

Helene: FLARE!

Mya: ECHO!

Mya 2: FEVER!

Mya 3: FROG!

Mya 4: SMOG!

Fire Demon: FLARE ATTACK!!

Lily: It hurts to receive fire!

Mya 4: PURE WISH!

The girls get back all the HP they lost!

Fire Demon: CAUTASPHOBIA!

The girls saw their greatest fear. Lily sees herself buried in spiders...

Lily: AH, SPIDERS!

...Helene saw herself abandoned by her own friends in danger...

Helene: NOOOOOOOOOOOOOOOOO! DON'T LEAVE ME!

...Mya saw Garet killed with Issac and all the others...

Mya: NOOOOOOOOOOOOOOOOOOO! ISAAC! GARET! IVAN! MIA! FELIX! JENNA! SHEBA! PIERS!

... and her clones saw the same thing! "Now their own fear will finish them off," said the Demon. They're going to die of a heart attack!"

Alex (appearing): STOP!

Demon: Who are you?

Alex: Whoever I am, leave them alone!

Demon: You look scared... Do you love one of those girls?

Alex: Yes!

Demon: I can see which fear is going to finish you off! CAUTAS...!

Alex saw the ruby and went to hang it in fourth gear.

Demon: ...PHOBIA!!!

Alex saw Mya dying. He saw his power slipping away.

Alex: NOOOOOOOOOOOOOOOOOOOOOO! I MUST HOLD ON! I MUST HAVE COURAGE! COURAGE!!!

The ruby began to glow and Alex was filled with courage. The horrible images transmitted by the Goddess of Fear did nothing for him!

Demon: NO! YOU SHOULD HAVE SNAPPED!

Alex: Now that your most powerful attack does nothing for me, I'm going to beat you!

The Demon: Oh no!

Later...

Helene: What happened?

Alex: It was the Goddess of Fear. The Fire Demon was using her power to try and finish you off.

Lily: Using!?

Mya 4: It's past tense!?! Did you...beat him?

Alex: ...Yes. With the ruby's power.

Mya: So you really love me Alex. Otherwise, you'd never help me so much.

Alex (returning the ruby to Helene): ?

Mya: At first I thought you only loved me for... perfection, Alchemy. But if that's all it was, you'd have killed me long ago.

Alex: That's... true.

Mya: I understand... but you know I'm already taken.

Alex: I know that too.

Mya: Then why are you so insistent?

He disappears.

Lily: You'll never know.

Mya 3: Look at a door! At the end of the bridge!

Mya: Let's go.

They go to the door. They open it and find themselves in front of the Great Fire Fairy. She gives them the second Key.

Lily: Next direction, the Water Temple.

Chapter 6: Oceane and the Water Temple.

Arriving at a lake...

Helene: Where is the Temple?

Mya 3: Underwater.

Mya: How are we going to get there? Only you can breathe underwater!

Mya 3: That's true. But... something tells me a Sapphire might be able to help us.

Mya 2: We need to find one first.

Mya 4: That might be difficult...

Mya: Wait a minute. Mya 3, summons Mercury and ask him to help us.

Mya 3: Mercury, Spirit of Water, come to my aid! Help us with your power!

The lake seemed to rise for a few moments, then a sapphire appeared.

Lily: That's great! But... Mercury... Who's Mercury?

Mya: He's the sacred spirit of water. I've always believed in him and, in exchange, I can invoke him along with Venus, Mars and Jupiter.

Helene: I don't know any people who have these customs. What people are you from?

Mya:

Mya 2 (who knew who it was, because she had the same memories as Mya): Uh...

Mya 3 (who also knew): Well...

Mya 4 (who dares): She's from the Clan.

Lily and Helene: From the Clan!?! What is the Clan???

Mya 4, hesitantly (she didn't want to make Mya angry.), tells what the

Clan is, the people who adopted Mya when she was a child. She says everything about the Clan, except about Isaac (the deformed son Mya had as a result of rape).

Helene: Gee, if I'd known that...

Mya 3 (with the sapphire): Let's go to the Temple!

They went to the Temple thanks to the power of the sapphire (which enabled them to breathe and speak underwater). Inside...

Lily: Incredible! There's water everywhere!

Mya 2: You're right, it's everywhere!

???: "Help me!"

Mya 4: !

The others : ?

Mya 4: I hear a voice in my head!

Mya: It's Oceane!!! Let's save her!

The girls rush over and see Oceane (in her true (mermaid) form) trapped by a giant tentacle.

Oceane: "Get me out of here!"

Lily: If there are four Mya it's for a good reason and... Who is this monster who did this to you!!!!

Oceane: "The Water Demon."

Mya: Let's beat him!

They rise to the surface and find themselves in front of the Demon.

Helene and Mya 2: Our Psynergy won't do a thing!

Mya: We'll take care of it! FLINT!

Mya 3: CHILL!

Mya 4: GUST!

Lily: PLASMA!

Water Demon: "You won't get me that way! WATERY RESTAPODY!"

Tons of water fall on the girls!

Girls (except Oceane): AAAAAAAAAAAAAHHHHHHHHHHHHHHH!

Oceane: "Girls!" (She struggles.) I... must... free... myself!

She manages to free herself!

Water Demon: NO!

Oceane: "Mya, who is the spirit of water?"

Mya: Mercury, but...

Oceane: "Mercury, Spirit of Water, come to my aid! Get this demon out of here!"

Water Demon: NOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!

He was swept away by a vortex of water! He disappears with the vortex!

Helene: He's dead, that's great!

Mya: And to think it's thanks to the Clan's beliefs... (Tears come to her eyes.) Isaac... forgive me!!!

Mya 3: Aren't you talking about Isaac, Garet's friend?

Mya: No, it's... no, it was my deformed son!

All the girls: WHAT YOUR SON!!!!

Mya: I got it from... Brond. He was a Clan man I hated and he hated me too. One day, he raped me and I had a son. I called him Isaac.

Oceane: "Where is he now?"

Mya: He... stayed with the clan. Today, he must be 5 or 6 years old.

The other girls: ... It... must have been hard for you.

Mya: Yes, but when I met Isaac, Felix and their Parties I made real friends and that made me happy. But I still think about Isaac.

Helene: I'm sure he's fine, and you'll just have to look for him after

this adventure.

Mya (smiling): Good idea!

The Great Water Fairy appeared.

The Great Water Fairy: You have defeated the Demon. As your reward, I give you the third Key.

Lily (taking it): Thanks. Uh, Oceane...

She explains to Oceane that Mia, Jenna, Sheba and Liera have been kidnapped and that to save them, four Temples must be completed. She joins the Party.

Oceane: "In that case, let's go to the Wind Temple."

Chapter 7: Isaac (Mya's son!!!) and the Wind Temple.

In the Wind Temple...

Oceane (now a human thanks to the Sapphire): Look! There's someone over there! He's fighting the Wind Demon!

"This can't be...! Alex thought, observing the scene."

Mya: It's...

The person (in a language only Mya understands): QUAKE!

Mya: ...Isaac!!! (She began to speak the same language as him.) Isaac, it's me, your mother. Do you recognize me?

Isaac turns around slowly.

Isaac (in the language of the Clan): Mom?

Mya rushed over to him and prepared to translate everything.

Mya : Isaac, I'm so happy to see you once again! How did you get here?

Isaac: I discovered the legendary Stargate. I took it and ended up here. While you were gone, I also discovered that I could control the earth.

Mya: Really? Then you have Earth Psynergy! You're an Earth Adept!

Isaac: I have the Psy-Psy-er-gy?

Mya: No, Psynergy.

Wind Demon: I don't want to betray this beautiful conversation, BUT DO YOU WANT TO FIGHT ME OR WHAT!!!!

Oceane (arriving with Lily, Helene and the other three Mya): Of course, we'll want to fight you!

After Mya introduces everyone and explains her quest to Isaac, the battle against the Wind Demon begins.

Mya: ECHO!

Mya 2: CORONA!

Their defences are rising!

Mya 3: GEL!

Mya 4: LUFF!

This doesn't affect the Demon. His Psynergy is not blocked!

Lily: PLASMA!

Helene uses the ruby. Her power increases by 10! By 100!!! By 1000!!!

Helene (who only know Flare): FLARE... WALL!

Oceane: If the ruby can increase your Psynergy. The sapphire should be able to do the same!

She uses the sapphire. Her power increases by 10! By 100!! By 100!!!

Oceane (who can only go to Ice Horn normally): ICE... MISILLE!

Isaac (using the emerald to increase his "Psynergy"): QUAKE!

Wind Demon: CONCENTRATION LOST!

Everyone (except Isaac who speaks in the language of the Clan):
NOOOOOOOOOOOOOOOOOOOOOOOOO! WE CAN'T CONCENTRATE
ANYMORE!!!

Demon: Without concentration you're finished!

"Come on!" Alex says to himself. "You can get your concentration back, just use the yellow topaz!"

Mya 4 (who sensed him and used Mind Read): You have to use the yellow topaz!

The other three Mya: Yellow topaz?

Mya asks her son if he wouldn't have it and he takes it out.

Mya 4: YELLOW TOPAZE COMES TO OUR HELP! GIVE US BACK OUR FOCUS!

Their concentrations are coming back!

Helene: Now it's the end for you, Demon!

They beat him with bi-elemental invocations. "Great! Alex says to himself." The Great Wind Fairy appears and hands over the last Key.

Oceane: Let's go to Verac's Palace and finish our quest!

Chapter 8: Verac's Palace or decisive battle.

Arriving at the palace, they used the keys. The door opens and doppelgangers appear. They each have 5k HP! The four Mya, Isaac, Lily, Helene and Oceane get rid of them with their Psynergies. (You can imagine the fight.) Then Verac appeared.

Verac: I see you've found some allies, Chosen One, but that won't change a thing. I'm going to beat you and send the Sword into the stratosphere!

Lily: Piff...

Helene: Threats don't scare us!

Isaac: I don't think I'm strong enough.

Mya: He's very strong. But I know you can help us.

Isaac: All right.

Oceane: Go, to the final fight!

Everyone uses their Psynergies to the max (with the precious stones) and they defeat Verac! Mya's three clones disappear, telling her to trap him in the Sword.

Helene: Take the Sword and seal him!

Mya: DISAPPEAR!

Verac: NOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO!

Verac gets sucked in by the Sword! Jenna, Sheba, Mia and Princess Liera appeared.

Liera: Thank you for saving us! And to think the legend is true...

Sheba: Thank you very much!

Mia: Let's go back home!

Lily, Helene and Oceane return to their world, Isaac (Mya's son) returns to the Clan and the girls (plus Isaac and the other guys) go home. Now...

Garet: I wonder if we'll find another combination of Symbols...

Mya: I HOPE NOT!!!!!!!!!!!!!!!!!!!!!!
